The 580 Building Skywalk Lobby

*To be the most professional,
high quality, customer driven
General Contractor in
Greater Cincinnati.*

The 580 Building
Skywalk Lobby Renovation
Cincinnati, OH

Construction Cost : \$1.0 million

Architect: BHDP Architecture

This exciting renovation project features custom anigre paneling, innovative building materials, a new water feature and special lighting to provide a prestigious entry to The 580 Building. This project was constructed in phases while the lobby remained in use.
