

R. J. BEISCHEL BUILDING CO.

All Saints Church

*To be the most professional,
high quality, customer driven
General Contractor in
Greater Cincinnati.*

All Saints Catholic Church
Renovation & Expansion
Kenwood, OH

Construction Cost : \$1.7 million

Architect: Glaserworks

This project included a new structural system in the north wing to dramatically raise the ceiling height and create a uniform space for worship. New lighting and sound systems, upgraded acoustics and HVAC systems, truly enhanced this beautiful space. Outside, a new plaza with space for the Easter Fire was also constructed.
