General Contractor in
Greater Cincinnati.*

Hyde Park Community United Methodist Church

Addition and Renovation

Cincinnati, OH

Construction Cost : \$2.1 million

Architect: The Doran Studio

Hyde Park Community United Methodist Church selected R. J. Beischel Building Co. to complete a three phase construction project at their beautiful stone church. The first phase renovated the Chancel while the Church remained open for services. The second and largest phase included an addition designed to match the existing stone building. The third phase renovated the main corridor and administrative wing.
