

R. J. BEISCHEL BUILDING CO.

LaSalle High School Expansion

*To be the most professional,
high quality, customer driven
General Contractor in
Greater Cincinnati.*

LaSalle High School
Chapel / Media Center
Cincinnati, OH

Construction Cost : \$2.8 million

Architect: GBBN Architects

This 23,000 square foot addition included a new chapel, new library and media center, and new science classrooms. The project was completed while school was in session with minimal disturbance to educational activities.
