

R. J. BEISCHEL BUILDING CO.

Ohio Valley Voices

*To be the most professional,
high quality, customer driven
General Contractor in
Greater Cincinnati.*

Ohio Valley Voices

New School

Loveland, OH

Construction Cost : \$1.8 million

Architect: PFB Architects

This project included a 9,000 SF addition and associated renovations to an existing building necessary to provide space to teach deaf children, age 1-6, who have had cochlear implants to communicate. This project included special sound reducing construction assemblies and materials.
